Dear Patients of Happy Teeth,

It is with great regret that I inform you that I, Dr. Brandie Andrews, will no longer be practicing dentistry. Although the Happy Teeth practice will continue to provide you with high quality dental care, I have health issues that will not allow me to continue to serve my patients. I am honored to have been able to provide you with your dental care, and I am deeply saddened that I will not be able to continue to do so.

I would like extend my deepest appreciation to my patients and their families for allowing me to get to know you and help with your dental health over the years.

Although I am leaving the practice of dentistry, I am very glad that my colleague and friend, Dr. Anastasia Petkova, will still be practicing at the current location and will be able to provide excellent care for you and your family. As you know, Dr. Petkova and I have practiced together for a number of years, and she is a caring and skilled dentist. Although I will not be able to care for you, I trust that Dr. Petkova will continue to provide the high quality dental care that you know you can expect from Happy Teeth.

If you have any question, please call the office.

Thank you again.

Sincerely,

Dr. Brandie Andrews
